and explain the reason that the requested documentation is unavailable and the efforts the requester has taken to obtain the documents. The Secretary may accept such a letter in place of the required documentation or disapprove the request due to insufficient documentation. If no documentation is submitted in response to the Secretary's letter, the Secretary may disapprove the request. The Secretary also may require an authorization from the requester (or his or her representative) to try to obtain required documentation on his or her behalf.

§ 102.72 Sufficient documentation for eligibility and benefits determinations.

(a) *Eligibility determinations.* When the Secretary determines that there is sufficient documentation in the Request Package to conduct an evaluation of a requester's eligibility, he will begin the review to determine whether the requester is eligible. If the Secretary determines that the requester is not eligible, the Secretary will inform the requester (or his or her representative) in writing of the disapproval and the options available to the requester, including reconsideration.

(b) *Benefits determinations.* If the Secretary determines that the requester is eligible for benefits, he will, after receiving documentation from the requester for a benefits determination, either calculate the amount and types of benefits, as described in subpart I of this part, or request additional documentation in order to calculate the benefits that can be paid (e.g., an Explanation of Benefits from the requester's insurance company if none was provided).

(c) *Additional documentation required.* At any time after a Request Form has been filed, the Secretary may direct a requester to supplement or amend the Request Package by providing additional information or documentation.

§ 102.73 Approval of benefits.

When the Secretary has determined that benefits will be paid to a requester and has calculated the type and amount of such benefits, he will notify the requester (or his or her representative) in writing. The Secretary will

make payments in accordance with § 102.83.

§ 102.74 Disapproval of benefits.

(a) If the Secretary determines that a requester is not eligible for payments under the Program, the Secretary will disapprove the request and provide the requester, or his or her representative, with a written notice of the basis for the disapproval and the options available to the requester, including reconsideration.

(b) The Secretary may disapprove a request at any time, even before the requester has submitted required documentation (e.g., the Secretary may determine that a requester did not meet the filing deadline, even before required documentation is submitted or reviewed).

§ 102.80 Calculation of medical benefits.

In calculating medical benefits, the Secretary will take into consideration all reasonable costs for those medical items and services that are reasonable and necessary to diagnose or treat a smallpox vaccine recipient or vaccinia contact's covered injury or its health complications, as described in § 102.31. The Secretary will consider and may rely upon benefits documentation submitted by the requester (e.g., bills, Explanation of Benefits, and cost-related documentation to support the expenses relating to the covered injury or its health complications), as required by § 102.60. The Secretary will make such payments only to the extent that such costs were not, and will not be, paid by any third-party payor and only if no third-party payor had or has an obligation to provide such services or items to the requester, except as provided in § 103.83(c) and § 103.84. There are no caps on medical benefits that may be provided under the Program.
